No.88/DRD/BISEP
Dated.20/09/2023

To,

The Principals,
All affiliated Institutions,
Within Jurisdiction of BISE Peshawar.

**Subject:** **REGISTRATION OF STUDENTS (GRADE 9 TO GRADE 12) FOR REPRESENTING PAKISTAN IN INTERNATIONAL OLYMPIAD IN INFORMATICS (IOI) CONTEST 2024.**

Memo:

International Olympiad in Informatics (IOI) is the most prestigious computer science competition in the world for secondary and higher secondary school level students. The main objective of the competition is to identify and encourage young talent in the field of computer science and programming.

The competition is open for Grade 9 to Grade 12 students from all over the world who have a passion for programming and an aptitude for problem-solving. Participation in the IOI contest is the best opportunity for students to showcase their talents and to receive international recognition for their hard work and achievements.

For this purpose, you are requested to share information on given proforma of top 02 (Male/Female) students of your institute(s) for inter-board competitions on or before 25-09-2023. The selected students will be allowed to take part in the Pakistan Olympiad Informatics (POI) contest to be held by the end of February, 2024 alongwith other students and among them, best students will be selected for participation in the International Olympiad Informatics (IOI).

The curriculum of IOI contest is available at the weblink: https://ioinformatics.org/page/syllabus/12

Your cooperation in this regard will be highly appreciated.

**Subject:** **REGISTRATION OF STUDENTS (GRADE IX TO GRADE XII) FOR REPRESENTING PAKISTAN IN INTERNATIONAL OLYMPIAD IN INFORMATICS (IOI) CONTEST-2024**

International Olympiad in Informatics (IOI) is the most prestigious computer science competition in the world for secondary and higher secondary school level students. The main objective of the competition is to identify and encourage young talent in the field of computer science and programming. The competition is open for Grade IX to Grade XII students from all over the world who have a passion for programming and an aptitude for problem-solving.

2.      The IOI challenges students to apply their skills to solve complex algorithmic problems and to demonstrate their programming abilities in a competitive environment. Participation in the IOI contest is the best opportunity for students to showcase their talents and to receive international recognition for their hard work and achievements.

3.      FBISE has been mandated by the Federal Government to execute and conduct national level Olympiad contest namely, Pakistan Olympiad in Informatics (POI) and prepare selected best students for participation in the International Olympiad in Informatics (IOI) 2024 by representing Pakistan.

4.      You are requested to select top ten students of your affiliated institutions on the basis of inter-board competitions open to all the aspiring students. The selected students will be allowed to take part in the POI contest along with other students to be selected by other educational boards of Pakistan including FBISE.

5.      The tentative scheduled dates of POI/IOI activities of FBISE are shared as under:

6.      You may accordingly schedule your activities.

7.      The curriculum of IOI contest is available at the weblink: https://ioinformatics.org/ and https://www.fbise.edu.pk/IOI.php/.
