No. 778/HSSC/BISEP

Dated: 20/11/2020

To

All the Institutions Public and Private affiliated with,
Board of Intermediate and Secondary Education, Peshawar.

Subject: **INSTALLATION OF CCTV CAMERAS IN THE EXAMS CENTERS**

I am directed to refer to letter No.786-2/Chairman/BISEP dated: 16-11-2020. In light of the instructions issued by the Honorable Minister E&SE during his visit to Peshawar Board, it is to share with you that installation of CCTV Cameras with connectivity facility with the BISE Peshawar has been made mandatory in exam centers for upcoming SSC / HSSC Examinations 2021.

Board of Intermediate & Secondary Education Peshawar is committed to conduct fair and transparent examinations. In order to achieve this noble goal, all the heads of affiliated institutions, public and private in jurisdiction of Peshawar Board are hereby directed to ensure the installation of IP based online CCTV Cameras as per attached specification and intimate this office till 31st December 2020 positively. The exam center will not be created in Institutes without CCTV Cameras. Further, it is to inform you that non installation of CCTV Cameras will be reported to the Secretary E&SE Department Govt of Khyber Pakhtunkhwa for disciplinary action.

Furthermore, the board will carry out monitoring visits to all the Institutions to ensure that the examination centers are equipped with the cameras and will decide its suitability for exam purpose.
