No.114/PS/BISEP

Dated: 26/10/2017

To

All the Principals
of Govt. & Private Colleges
within the jurisdiction of BISE Peshawar

Subject: Question Papers of HSSC (Part-1 & part-2) Annual Examination 2018

Your good self is informed that the Provincial Government, Elementary & Secondary Education Department (E&SE) Khyber Pakhtunkhwa is working on improvement in education system through different initiatives. One of them is improvement in teaching and learning process through better assessment & evaluation. It is the need of the hour to divert the students from traditional rote learning & memorization and turn them towards conceptual learning, understanding and critical thinking. It will enable the students to focus on conceptual learning rather than rote learning.

In this respect improvement in the contents of questions in the papers of HSSC (1st Year and 2nd Year) shall be made, with effect from the forthcoming Annual Examination 2018. The questions shall be based on SLO from the National Curriculum 2006, however it shall not be copied from the exercises of text book as was practiced in past.

You are requested to inform teachers of your college to teach according to the SLOs and prepare their students on the above lines. It will be more appropriate if proper papers are set for home exams in the light of modern technique. The BISE Peshawar will soon to upload model papers on these subjects on its website to facilitate the students & the teachers.

CHAIRMAN
BISE Peshawar

Copy to the:-

1. All the Chairmen of BISEs, Khyber Pakhtunkhwa.
2. PS to Secretary E&SE Department, Govt of KP, Peshawar.
3. PS to Special Secretary E&SE Department, Govt of KP, Peshawar.
